Reference correspondence resting with your letter No.S.67(h)-31-Gl-C, dated the 5th January 1955 on the subject mentioned above.

2. Government has decided that the District School Boards should be allowed to admit Backward Class pupils in lower primary standards to the Backward Class hostels maintained by them provided that the number of ~~the~~ Backward Class pupils in higher primary standards seeking admission to the hostels is less than the sanctioned accommodation. In electing the Backward Class pupils from the lower primary standards the order of preference should be Scheduled Tribes, Scheduled Castes and Other Backward Classes as far as possible. Your are therefore requested to amend the Model rules framed by you for the admission of students to Backward Class hostels maintained by the District School Boards, suitably in order to make thereules consistent with these orders and to take further action in this matter accordingly

It appears that the H.H.& S.C.D. intends to issue general order allowing govt. grants to hostels managements which not registered body. ~~xxx~~ are affiliated to a registered body. The H.H.& S.C.D. may please clarify in the first instance whether such affiliated bodies are generally registered under the Act, and if not so, to state difficulties for the same. To

The Joint Secretary to Government,
Rehabilitation, Housing and Backward Classes Deptt,
New Secretariat, Foreshore Road, Bombay 1.

Subject:- Backward Class Hostels.
Grant in aid Scheme for payment of---

Reference Government Resolution G.D., No BCH.1053 dated 5th July 1954, on the subject mentioned above.

2. As per new Backward Class Hostel rule 1A(ii) added to the existing Backward Class Hostel Rules, as per above Government Resolution, the Backward Class Hostels already recognised by the Backward Class Department but the managements of which are not registered under the Societies Registration Act XXI of 1860 will not be eligible for grant in aid unless they get themselves registered under the said Act within a period of one year with effect from the 1st July 1954. The case of the Ratnagiri District Harijan Sevak Sangh, Rudal which conducts two aided hostels at Kankavali has come before me in connection with the above subject. The position of the above Sangh is that, it is not a registered body under the above Act but is a branch of the Maharashtra Provincial Harijan Sevak Sangh, Poona, which is a registered body under the above Act. In this connection, I am of the opinion that the hostel managements which are not registered under the above Act but are affiliated to the bodies which are registered under the above Act, may be exempted from the operation of new Backward Class Hostel Rule 1A (ii). If my above opinion is acceptable to Government necessary orders may please be issued early.
